2. COMMUNICATION:

The International Bureau acknowledges receipt on 1 February 2005 (01.02.05) of a request for the correction of the serial number of the priority claim indicated in Box VI of the request as (US 15 December 2002 60/433, 682) and of a purported priority document (US 15 December 2002 60/433,683) on 4 February 2005.

Because the time limit prescribed in Rule 26bis has expired, the priority claim may no longer be corrected during the international phase. However, upon receipt of a written notice from the applicant, the International Bureau will transmit to the designated Offices concerned a copy of the purported priority document, for their consideration. The matter will then need to be taken up by the applicant directly with each designated Office upon entry into the national phase.
